

AMENDED IN SENATE JULY 17, 2007

AMENDED IN ASSEMBLY MAY 9, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 1465

Introduced by Assembly Member Richardson

February 23, 2007

An act to amend Section 48200.5 of the Education Code, relating to school districts.

LEGISLATIVE COUNSEL'S DIGEST

AB 1465, as amended, Richardson. School districts: pupil attendance alternatives.

Existing law authorizes a resident of the City of Carson who is the parent or legal guardian of a person subject to compulsory education to enroll that person in either the school district in which the residency of the parent or guardian is located or in the Los Angeles Unified School District pursuant to the terms of an agreement that is mutually adopted by the Compton Unified School District and the Los Angeles Unified School District.

This bill would ~~prohibit a pupil who is granted a transfer from being required to resubmit annually a new transfer application~~ *require both school districts that enter into a transfer agreement to abide by the agreement's provision that a pupil granted a transfer is not required to resubmit annually a new transfer application. Neither party to the transfer agreement would be prevented from terminating the transfer agreement in accordance with that agreement.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 48200.5 of the Education Code is amended to read:

48200.5. (a) Notwithstanding Section 48200, a resident of the City of Carson who is the parent or legal guardian of a person subject to compulsory education may enroll that person in either the school district in which the residency of the parent or guardian is located or in the Los Angeles Unified School District pursuant to the terms of an agreement permitting those transfers that is mutually adopted by the Compton Unified School District and the Los Angeles Unified School District.

~~(b) A pupil who is granted a transfer pursuant to this section shall not be required to resubmit annually a new transfer application in order to remain enrolled in the school district.~~

(b) Both school districts shall abide by the agreement adopted pursuant to subdivision (a) for the life of that agreement including, but not limited to, the provision that provides that a pupil who is granted a transfer shall not be required to resubmit annually a new transfer application in order to remain enrolled in the school district.

(c) Nothing in this section shall be construed to prevent either party to the agreement adopted pursuant to subdivision (a) to terminate the agreement in accordance with that agreement.

SEC. 2. The Legislature finds and declares that a general statute, within the meaning of Section 16 of Article IV of the California Constitution, cannot be made applicable to the unique problems within the City of Carson that this act is intended to remedy, and that, therefore, this special statute is necessary.
